Practical Issues for the development of the forum

1) Flash Presentations:

- a. We kindly request to comply to 5 minutes presentations.
- b. No time for questions will exist between the different presentations.

2) Partnering Meetings Request:

- a. After flash presentations, both, companies and research groups should indicate, to the responsible person (Fernando Santos) with who they want to have a meeting.

3) Partnering:

- a. Before starting the partnering section each participant will be informed about their bilateral meetings. participant name, place and time.
- b. Partnering meetings will have duration of 15 minutes. Punctuality and adjustment to the meeting will be requested.
